

LAKE COUNTY

October Chapter Chatter

Lake County Food Services Department hosted its annual Professional Development Day in October. The association held a #10 can fundraiser to raise scholarship money for Lake County seniors. The fundraiser was a huge success bringing in over \$600 and fun was had by all!

East Ridge Middle School was voted Best in Show for their creative can display representing spring flowers. The staff was recognized with a donut breakfast.

National School Lunch week was celebrated last month. Several of our schools were standouts including, Umatilla Elementary and Astatula Elementary, they really went above and beyond making this a fun and exciting week for the students and staff!

Way to go Lake County!
