

National School Lunch Week Peace, Love and School Lunch!

Teresa Azevedo
Creekside Middle School
Region 2
Volusia County

- Meal Count Sheets: We increased Participation by 227 meals; some students just learned from our NSLW questions that both Breakfast and Lunch are free for all students in Volusia County this year!

We went from 3011 lunches previous week to 3238 During National School Lunch! Our first week of school was only 2536 lunches so we are on a roll increasing our meal counts weekly!

- Activities for Week
- Decorate serving lines
- Made photo van for pictures
- Monday – Display recipes good and bad, do taste testing of possible new products with students, make and serve Jell-O to students
- Tuesday – NSLW Questions
- Wednesday – Celebrity photo op with Van prop
- Frank & Tracy from 104.7 FM WROD Rock of Daytona
- Thursday – Word Scramble
- Friday - Play music from 50's, 60's 70's

- People had to get creative to make ends meet, and one of the ways they did this was by saving, reusing and repurposing absolutely everything. What we wouldn't think twice about tossing today, was as good as gold back then. We repurposed cardboard from our warehouse deliveries to make photo van. Did your Mother or Grandmother always have a can full of buttons and old broken costume jewelry?

- Decorated serving lines with things from the past; records, lava lamps, containers of buttons and costume jewelry, pictures of recipes from the past (yum! Spam and Jell-o). A few old small kitchen appliances.

Leading up to new taste testing products we shared some recipes from the past: Blast from the past...Jell-O was a big hit back in the 50's and 60's they put everything in it from Spam to shrimp...Have you ever thought of eating Bananas with ham and hollandaise sauce? Or hollow out a loaf of bread and fill with mixture of Spam, carrots and olives? We just served our students a treat of Jell-o as a treat!

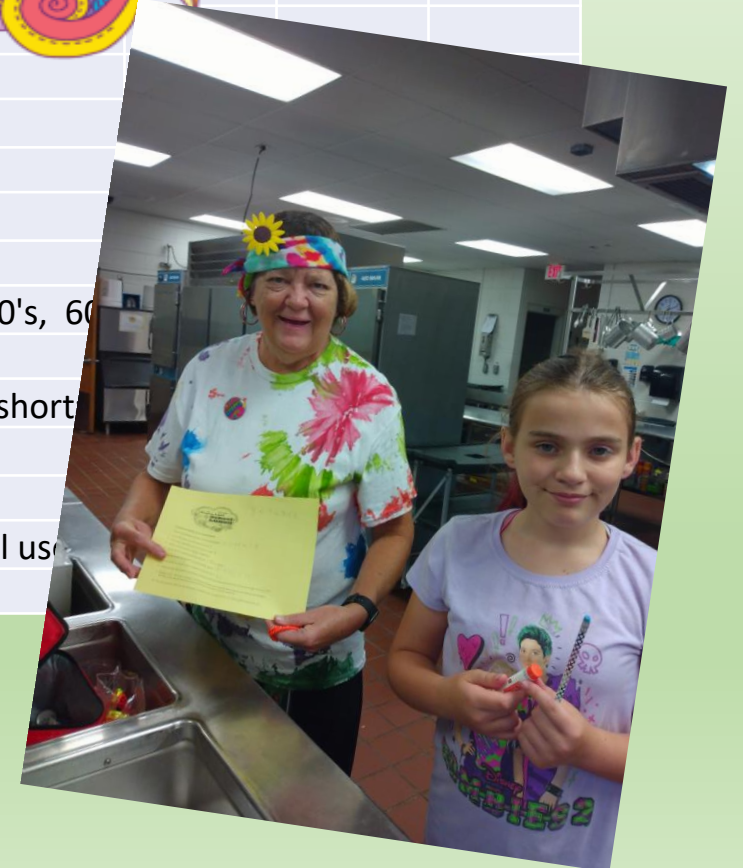

-
- We did taste testing with our students, for new products to be brought into our district, must have an 80 % approval or better to be added to our menus. Our students love being apart of the process! They loved the Pizza Boli's. Some students made comments from the recipes we shared from the past, that Spam and Jell-o, and shrimp and Jell-o should never be together. And why would anyone put Hollandaise sauce on bananas? yuck

Questions pertaining to our Lunch Program

- 1 Who is your kitchen manager at Creekside Middle?
- 2 How many fruits can you have per meal?
- 3 How many vegetables can you have per meal?
- 4 what is juice counted as Fruit or Vegetable?
- 5 Do we have a celebrity working with us? If so Who?

- 8 What decade did people start getting innovative with food items to entice others to try new things? 50's, 60's, 70's?
- 9 True or false: 50's was a decade of innovative change and prosperity following years of rationing and short supply. 60's was a decade of innovative menu items due to invention of small appliances.
- 10 Do your parents still have any food prep tools that they used back in the 50's, 60's or 70's that they still use?

Students who participated received a small token from our grab bag (chap stick, buttons, stickers, and bracelets)

Special guest appearance by Frank and Tracy 104.7 FM Radio Rock of Daytona Frank helped serve on the line, took photos with students, signed autographs, answered radio questions. Lots of fun! Frank also promoted National School Lunch on the Radio all week for us, even telling listeners what was on our menu!

Serving on the line

1st time on the line, student gets 2 bottoms of Hamburger Bun, so he wants it signed! Too funny!
