

SNACC Chapter Chatter

School Nutrition Association of Charlotte County

February 26th, 2024

This month's SNACC meeting was a huge success and everyone who attended had a lot of fun! Our Director, Chef Bill Seibert (center) gave a class on how to make homemade rolls, and then taught the members how to make fancy rolls for the upcoming holidays.

We baked our rolls, buttered them up, and ate them with our new chicken alfredo recipe designed by our manager coordinator Terry Ross (not pictured), and our registered dietitian, Chelsea Payne (right).

We continued our 50/50 fundraising drawing to help those in need, and concluded the meeting with our door-prize drawings.

The School Nutrition Association of Charlotte County is looking forward to next months meeting!
