#NSLW23

Franklin County School District and our Food & Nutrition team celebrated 2023 National School Week by “leveling up” with school lunch “Super Mario” style! This year, we invited parents to enjoy lunch with their children in an effort to promote school lunch within the homes of our Seahawk students.

During NSLW, Child Nutrition Educator, Kayle Mears, with the UF/IFAS Extension of the Family Nutrition Program visited our kindergarten, 1st, and 5th grade class during lunch on “Florida Crunch” in celebration of Farm to School Month. Mrs. Mears educated our students on trying new vegetables and all crunched on some yummy broccoli all at once at the count of three. The students were also given color pages with different vegetables and fun facts about them.

2023 National School Lunch Week was a success at Franklin County Schools and we are already getting prepared for more excitement as we get closer to 2024 National Breakfast Week! It is going to be a “gnarly” week as we “Surf Up” with school breakfast!

All hands were on deck; even our Superintendent, Steven Lanier, helped by serving tea.

## THANKSGIVING FEAST

Franklin County School Food Services partnered with Administration in hosting our annual Thanksgiving Feast where parents and family are invited to enjoy all the Thanksgiving fixings with their children.
