

SNACC Chapter Chatter

School Nutrition Association of Charlotte County
April 1, 2024

Our SNACC meeting was a great success! We were honored to have the Animal Welfare League come out and present about their adoptable animals and programs they have to offer. We collected a lot of donations for the shelter including dog & cat food, toys, blankets, paper towels, and office supplies. We hope our contributions will make a difference to the lives of their furry friends!

The meeting concluded with our 50/50 fundraising, door prizes, and a delicious meal. We are looking forward to our end of the year gathering in May!
