

## Resident Dietitian – Chartwells K-12 – Jacksonville, FL

### DESCRIPTION:

Want to influence a generation? How about working in a place where you know you make a difference? Try one of our 4000 public and private school locations managed by Chartwells School Dining Services. That's about 1.6 million young students we provide meals and food service for each day. **Eat. Learn. Live** exemplifies Chartwells' promise and philosophy that nourishing students is not only our business; it's our commitment to the communities in which we serve.

### JOB SUMMARY:

Chartwells School, a member of Compass Group, is seeking a Resident Dietitian to join our Nutrition Team to support our school district clients in Jacksonville, FL. Monday-Friday, day shift with occasional nights and weekends as needed. **Applicants must reside, or be willing to relocate, in or near Duval County, FL.**

Under the direction of the Regional Dietitian and District Manager, the Resident Dietitian assists with development, implementation and evaluation of nutrition and sustainability initiatives that support School District and Chartwells Schools strategic plan. Supports operations team with regulatory compliance, nutrition program implementation, menu development, dietetic internship, Webtrition management, nutrition education and promotion, parent and community nutrition outreach, media activities, associate training, and food allergy management. May also support regional dietitian with division nutrition initiatives.

### KEY RESPONSIBILITIES:

- Assists with development, field implementation, and evaluation of nutrition and sustainability mandatory and optional programs.
- Assists field with interpretation of new regulations, maintenance of USDA audit readiness, and preparation for specific USDA and state audits.
- Maintains Chartwells nutrition and regulatory training in the field.
- Takes a leadership role in menu development that meets Chartwells nutrition guidelines, regulatory standards and district food cost goals.
- Coordinates program evaluation protocols and research protocols in the field.
- Assists with dietetic internship as preceptor for dietetic interns in the field in coordination with operator preceptors.
- Implements nutrition education lessons and programs.
- Supports Chartwells sustainability programs in the field.
- Supports strategic purchasing initiatives.
- Leads Webtrition implementation, maintenance and compliance in coordination with Regional Dietitian.
- Writes nutrition communications pieces for internal and external publication.
- Completes media training and supports district media activities.
- Manages food allergies in assigned districts.
- Will travel up to 50% within the school district as well as occasional coverage throughout the region.

### REQUIREMENTS:

- Credentialed as a Registered Dietitian by the Commission on Dietetic Registration (CDR) required.
- Minimum of one (1) year of experience (post Dietetic internship) working as a Registered Dietitian required.
- Experience working in a School Foodservice environment, Grades K-12 preferred.
- Excellent communication skills required.
- Experience with adult training and group presentations preferred.
